

Fashiontv Made to Measure

SERVICES

Our expert stylists and experienced artists will go over every detail of your desiderata and get you measured for an impeccably tailored outfit. Our tailors ensure that the garment looks at its best in the size you provide us. Some of our services are as follows:

Tailoring

Tailoring is the art of designing the apparel with precision, skill and perfect measurements of the client and creating a beautifully tailored outfit that glides right on like another layer of embellished skin.

Dressmaking

Our dressmakers are maestros at tailoring custom-made dresses that enhance your figure and structure. A perfectly customised dress can add more allure to your innate comeliness and give you the flawless look for every occasion.

Pattern Making

Tailoring is the art of designing the apparel with precision, skill and perfect measurements of the client and creating a beautifully tailored outfit that glides right on like another layer of embellished skin.

Alteration

Our dressmakers are maestros at tailoring custom-made dresses that enhance your figure and structure. A perfectly customised dress can add more allure to your innate comeliness and give you the flawless look for every occasion.

Customization

Tailoring is the art of designing the apparel with precision, skill and perfect measurements of the client and creating a beautifully tailored outfit that glides right on like another layer of embellished skin.
